File No. EST-2851

P.W.D.

C CLASS F BRANCH

Subject:— Establishment Subordinate Temporary Karnatak Irrigation Circle.

File No. EST. 2851 - F. Br

No. G-47

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 16th Septr.1951.

To

The Surgeon General
with the Government of Bombay,
Bombay.

Subject:- Medical Examination for Physical fitness for Government service.

Shri. V. Ramarao, Overseer on the Temporary Establishment in this Office was sent to the Civil Surgeon, Dharwar, for medical oxamination, who considered him to be temporarily unfit on account of defective vision. The overseer was again sent for re-examination after correction of glasses as desired by the Civil Surgeon, Dharwar, who has now declared the overseer as permanently unfit for employment on account of defective vision not corrected to the required standard, vide the certificate bearing No.233 dated 24-8-1951 issued by the Civil Surgeon, Dharwar enclosed in original.

2. In this connection I have to state that Shri. V.Ramarao is a B.Sc.,B.E. of the Mysore University and joined service in the defunct Koyna Irrigation Circle on 18-8-1949 and was transferred to this Circle from 1-11-1950 on closure of the Koyna Irrigation Circle. He has now completed two years' service in the Public Works Department and his work is found to be satisfactory and his defective sight has not come in the way of his daily work so far.

3. I recently tested him in reading levels at a distance of about 300 ft. and his reading was correct. I have also tested him for indoor work and I am of the opinion that the defect pointed out by the Civil Surgeon, Dharwar, is not likely to interfere with the efficiency of the subordinate.

4. In the circumstances, it is recommended that the defect pointed out by the Civil Surgeon, Dharwar, in Shri.V.Ramarao, overseer, may, at your discretion, be condoned as laid down in Rule 15 of the B.C.S.R. Volume I, and the overseer may kindly be allowed to continue in service.

Accompt:
1 Certificate.

Superintending Engineer, K.I.C.

Ghataprabha,
23rd June 1951.

To

The Superintending Engineer,
Karnatak Irrigation Circle.

Subject:- Regularisation of services of
Shri.S.V.Kalgi.

Reference: Executive Engineer's office letter No. G-95(a) dated 26th April 1951.

Sir,

I beg to lay before your honour the following few lines for favour of kind consideration.

I have passed the suboverseer's course from Engineering College, Poona, from the fourth batch in the month of May 1948, and I was asked by the College authorities to wait for appointment orders. Accordingly I waited for two months and a half. Then I requested the principal of college of Engineering, Poona, about my appointment, by post, and I was asked to communicate with the Superintending Engineer, C.C., but no reply was received.

In answer to your advertisement I applied to your honour for an appointment, and I was asked to join the duties as suboverseer in the office of E.E.,G.L.B.C.Dn., Ghataprabha. Accordingly I have joined the duties on 18th August 1948 only.

Now I am asked by the Principal of College of Engineering, Poona to get my services regularised in this Circle only. So I request your honour to regulatise my services in this Circle.

I hope that my request will be considered favourably.

Yours faithfully,

Sd/- S.V.Kalgi.

Submitted with respects through the E.E., G.L.B.C.Dn. and the Deputy Engineer, 'B' Sub-Division, Ghataprabha.

Bellad Bagewadi,
10th Decr. 1951.

To

The Superintending Engineer, K.I.C.,Dharwar.

Subject:- Application of Shri.S.V.Kalgi, s.o. on work-charged estt.regarding recovery of stipend.

Reference: Your office letter No.G-40/1 dated 19-10-51.

Sir,

The date of receipt of Appointment orders are as below:-

S.E.,Southern Circle	...	13-10-1948
S.E.,North Gujerat Circle	...	27-8-1948
S.E., Karnatak Irrign.Circle	..	12-8-1948

(The last date of specified period was 15-8-1948).

After joining this Circle, this matter has been informed to Superintending Engineer, C.C., because I was directed by the Principal, College of Engineering, Poona to communicate with S.E.,C.C., about my appointment.

I had informed the Principal, College of Engg., Poona, after joining duties.

As I have not received the other two appointment orders during specified period, I thought that those orders are not useful now and also those orders are not concerned to this Circle

4/9

So I did not inform you [illegible]
However, as I have joined the P.W.D., the question of re-covery of stipend does not arise.

Thanking you, Sir,

Yours faithfully,

Sd/ S.V.Kalgi

Through:
the Executive Engineer, Ghp.L.B.C.Dn.
and the Deputy Engineer, 'B' Sub-Division
Belladbagewadi.

Office of the Superintending Engineer,

Karnatak Irrigation Circle:

Dharwar, dated 8 Jan. 1952.

From

SUPERINTENDING ENGINEER,

Karnatak Irrign. Circle:

To

~~The Principal,~~

College of Engineering,

Poona-5.

Subject:— Shri. S.V.Kalgi, Suboverseer.

Sir,

With reference to your letter No.G-89-A(8) dated 17-9-1951 and subsequent expeditor No.G-89-A(8)/43 dated 8-4-1951 addressed to Shri.S.V.Kalgi, Suboverseer, through the Executive Engineer, Ghataprabha Left Bank Canal Division, the statements of Shri.Kalgi, suboverseer are enclosed herewith for information.

2. According to the statement of Shri.S.V.Kalgi, Suboverseer, it appears he waited for nearly three months for appointment and afterwards joined this Circle. Since Shri.S.V.Kalgi was not given appointment within the specified period of three months from the date of passing the Suboverseer's Examination as per condition 4(a) of the Agreement Bond signed by him, there appears to be no infringement of the Agreement Bond as he was free from the condition. Moreover he has after all accepted a Government appointment only and intimated the fact to you.

3. In view of this, it does not appear necessary to approach Government for regularising the action of Shri.S.V.Kalgi, Suboverseer in joining this Circle.

D.O:

2 copies of statements.

Yours faithfully,

Superintending Engineer, K.I.C.

Copy forwarded with compliments to the Chief Engineer, Public Works Department, Bombay for information.
